

Budget and Payment Schedule

Japan Women's University Exchange
2022-2023 programs

Exchange terms available: Fall/Winter Semester, Spring Semester, Spring Quarter, and Academic Year

HOW TO USE THIS BUDGET

Exchange programs have a **fixed program fee** that is calculated **based on your Oregon residency status and the number of semesters/terms that you spend abroad**. To determine the GEO program fee for the exchange you are interested in, review the Exchange Program Fee Budget for the term you are interested in. **Please note that the terms available for each exchange vary based on the university's academic calendar**. Add the fixed program fees from the exchange budget to the estimated additional costs in this budget to determine your estimated total cost of attendance.

¹ Students may choose between living with a homestay family or in a share house. In spring, students may also have an option to choose to live in the JWU dorm.. The rough estimates for housing costs are: 50,000-65,000 yen/month for homestay family; 50,000-80,000 yen/month for share house; and 135,000 yen/semester for the dorm with the dorm subsidy (note that these amounts may change). Up to 3 UO students per year can receive a dorm subsidy. The housing estimate above is based on a student living with a homestay family.

² This is a rough estimate for other living expenses such as doing laundry, buying toiletries, going to the movies, etc. This amount will vary depending on your spending habits.

³ The dorm typically provides 2 meals/ day during the week, and homestay families typically provide 2 meals/day during the week and 3 meals/ day on the weekend. No meals are included with the share house. This meals estimate is based on a student living in the dorm or with a host family.

CANCELLATION AND REFUND POLICY INFORMATION:

Important: The GEO Cancellation and Deferral Policy is effective from the time a student agrees to pay their non-refundable deposit or electronically signs the program commitment form, regardless of application or acceptance status. It is essential to read this policy before a potential cancellation or deferral takes place, in order to understand the ramifications.

Cancellation/Deferral Penalty Dates:

CANCELLATION/ DEFERRAL DATE	PENALTY IF NOTICE IS RECEIVED AFTER THIS DATE
Upon acceptance to the program	Student agrees to \$500 non-refundable program deposit
8 weeks before program start date	Student is responsible for 50% of total GEO program fees
Program start date or after program begins	Student is responsible for 100% of total GEO program fees

- If a student has committed to participate in a full academic year exchange program, this policy will apply for the full academic year fees.
- If one of the deadlines in the Student Budget posted on the program page of the GEO website falls on a weekend or holiday, GEO will accept written notifications received on the following business day.

- A student can defer their application for up to twelve months from the term in which their original program was scheduled to start, and upon approval by the GEO advisor. Beyond twelve months, a student must cancel their application and re-apply. The student will be responsible for payment of any unrecoverable costs. In some cases, a student may be able to apply their non-refundable application fee and deposit to a future GEO program upon GEO approval.

Cancellation/Deferral Policy and Penalty:

- This cancellation and deferral policy applies to all cancellations and deferrals regardless of the reason for cancellation or deferral, including but not limited to inability to secure proper legal status (i.e. passport, visa, etc.) in the host country of the participating program.
- If the program fee has not been received by GEO at the time of cancellation or deferral, the penalty amount will be billed by GEO.
- GEO fees include: the GEO program fee, the UO Study Abroad fee (UO students only), and/or any other fees that are billed by GEO.
- GEO and the program provider or the host institution reserve the right to cancel a program due to low enrollment, natural disaster, public health emergency, political unrest, terrorism, acts of war or any other reasons beyond GEO's control. If a program is cancelled prior to the start date for any of these reasons, GEO will refund all payments received by GEO including the application fee, program deposit, and program fee. GEO assumes no further financial responsibility and is not responsible for airfare, visa fees, or any other fees related to the program that may have been paid. GEO strongly recommends that students purchase travel cancellation/interruption insurance.

PAYMENT SCHEDULE (What is due when?)

UO students: GEO will charge all program fees to your UO Student Billing Account.

Billing and Payment Schedule for UO Students

When you are offered acceptance	<p>A non-refundable program deposit of \$500 is due within one week of acceptance or nomination offer to confirm your space on the program. The program deposit is not an additional fee but is part of the total GEO program fee.</p> <p>Once a student has authorized GEO to charge the deposit to their UO student account, or has submitted the deposit directly to GEO, the program deposit is non-refundable except in cases where a student is denied acceptance to the program for which he or she has applied. If the required application materials are not completed by the deadline, the application will be considered abandoned and cancelled by GEO. In such cases, the deposit will not be refunded. Students who fail to pay the program deposit by the first cancellation/deferral date listed below will have their program application canceled.</p>
4 – 7 weeks before you depart	<p>GEO will bill your UO Student Billing Account for the remainder of your program fee. This amount will be due according to standard UO Payment and Due Dates. For programs that take place over multiple terms, GEO will bill you a percentage of your fee over each term. For more information about UO Payment and Due Dates, see this link: https://ba.uoregon.edu/content/payments</p>

Note: You will pay your housing costs according to the payment schedule of the host university or housing company. These costs may be due up to several months before the start of your program.
